MINUTES**

PRESENT: Lynda Farrar, Martin Hanson, Dale Paczkowski and Nancy Sobczak

STAFF PRESENT: Katharine Hildebrand, Mary Forseth, Bill Dusso, Wayne Austin

GUEST: Michael M. Lemens, P.E. from the City of Kenosha

CALL TO ORDER

Lynda Farrar called the meeting to order at 9:05 a.m. A quorum of 4 members was present.

AGENDA

MOTION: Nancy Sobczak moved, seconded by Martin Hanson, to adopt the agenda. Motion carried unanimously.

APPROVAL OF MINUTES (1/4/02)

MOTION: Nancy Sobczak moved, seconded by Martin Hanson, to approve the minutes as published. Motion carried unanimously.

ADMINISTRATIVE REPORT

Katharine Hildebrand, Bureau Director

- **Introduction of Incoming Bureau Director, Mary Forseth**

Katharine Hildebrand introduced Mary Forseth as the new Bureau Director. Forseth introduced herself and gave a brief overview of her professional background.

- **Section Roster**

Katharine Hildebrand introduced the new board member, Dale Paczkowski. Dale gave the Section a brief overview of his professional background.

- **2002 Meeting Dates**

The 2002 meeting dates were approved.

- **To-Do List (10/26/01)**

Jim Dorn had provided Hildebrand with the names of schools that provide education for designing fire protection systems: Northeast Technical College, Fox Valley Technical College and possibly Waukesha County Technical College offer a degree in fire science technology. Any plans submitted to the Department of Commerce that have sprinkler systems and/or fire

suppression systems have to have a fire protection design stamp. Forseth will contact Jim Dorn to get more information regarding the requirements for getting a fire protection stamp and where educational opportunities are available.

- **Regulatory Digest Draft**

There will be a notice in the Regulatory Digest announcing that Martin Hanson and Dale Paczkowski have joined the Engineering Section of the Joint Board.

- **Summary Reports on Pending Court Cases, Disciplinary Cases and Press Releases**

NSPE's Adopted Model for Engineering Licensure

Hildebrand reviewed a memo from Rick Sloan regarding his concerns with NSPE's recently adopted model law for licensure. Michael Lemens, P.E., from the City of Kenosha who attended the meeting, spoke to the Section regarding the new model law developed by NCEES. This law emphasizes four different things: 1) a four-year degree from an ABET-accredited School; 2) successful completion of the fundamentals of engineering exam; 3) four or more years of practice and 4) a credential and portfolio review.

Mary Forseth will set up a meeting after the Joint Board meeting with Barb Showers and Lynda Farrar on April 11, 2002 to discuss testing issues and other practical aspects to be a licensed engineer in Wisconsin and issues of cost assessments.

MOTION: Martin Hanson moved, seconded by Dale Paczkowski, to amend section 443.09 (6) of the statute dealing with the right of an applicant to review the exam questions within 90 days. The amendment would be to remove the right of the applicant to review questions on the fundamentals or the principles of practice examination in order to be consistent with national standards and to protect the integrity of the examination. Motion carried unanimously.

NCEES

Report from February Assembly, Martin Hanson

Martin Hanson handed out a report on the February Assembly and discussed the highlights of the meeting.

MISCELLANEOUS CORRESPONDENCE/INFORMATION

Hildebrand reviewed an article regarding an LP gas issue from the North Carolina bulletin. The North Carolina Board agreed that LP gas fire safety analysis constitutes engineering and more specifically a professional engineer needs to be involved in fire safety analysis for LP plants that are field directed and field assembled.
